Program	Object	Description	Budget Increase Request	Description	Comments
DEPARTMENT: FINANCE					
21000	40000	New Position	\$ (24,135)	1 full-time Senior Finance Analyst position \$156,153. Reduce 1 full-time Accounting Manager position \$180,289. Total decrease to the budget is \$24,135.	Remove Accounting Manager position and replace with a Senior Finance Analyst. The addition of a Senior Finance Analyst position is necessary to strengthen the City's budget development process and enhancing fiscal accountability. Budgeting is increasingly complex, requiring coordination across departments, compliance with regulatory requirements, and responsiveness to community priorities. Currently, budget preparation and financial analysis functions are performed by the Finance Director. A dedicated Senior Finance Analyst would provide needed support these functions and improve overall financial management. The Senior Finance Analyst will support the development of the City's annual budget by working closely with departments to compile, review, and analyze budget requests. This will improve accuracy, consistency, and alignment with City Council priorities of Financial Stability. The position will support multi-year forecasting, capital improvement planning, and analysis of revenue trends (e.g., sales tax, property tax, fees), helping the City anticipate fiscal challenges and plan proactively. The position will assist with grant budgeting, tracking restricted funds, and ensuring proper reporting.
			\$ (24,135)		
DEPARTMENT: POLICE					
31000	40000	2 new positions	\$ 379,500	2 full-time Police Captain positions \$361,991 each. Plus 5% increase for Deputy Chief due to compaction \$18,883. Reduce the unfilled Deputy Chief position saving \$363,366. Increase the budget by \$742,865 and reduce by one position \$363,366 . Total increase to the budget \$379,500.	The personnel request is part of a necessary organizational restructuring intended to ensure consistent command oversight and support the department's growth as the City's population increases with the Westminster Mall redevelopment project. The estimated cost reflects a 5% increase above the current Commander salary range, as well as a 5% adjustment to the Deputy Chief classification. Benefit costs were not included in the estimate; however, only one additional benefits package would be required, as the proposal reduces the number of Deputy Chief positions from two to one.
31100	40000	2 new position	\$ 116,101	2 full-time Parking Enforcement Officer positions \$86,293 each. Reduce part time wages by \$56,485 . Total increase to the budget is \$116,101.	2 FT parking enforcement to be assigned to street sweeping and paid parking enforcement. These positions will address a lot of quality of life issues as well as act as another set of eyes for patrol who can quickly report things that are seen and need to be addressed. Potential Revenue growth through parking citations.
			\$ 495,601		
DEPARTMENT: PUBLIC WORKS					
53000	40000	New Position	\$ 106,227	1 full-time Leadworker position to oversee weekend Parks and Building Maintenance staff. Total increase to the budget is \$106,227.	Weekend operations present a unique set of challenges. A Maintenance Leadworker is essential for overseeing weekend operations. The position provides leadership, ensures rapid and effective response to issues, maintains quality and accountability, supports communication, and keeps operations running smoothly despite limited staffing. For Public Works Department, weekends typically operate with limited staffing. Without a designated leader on-site, the weekend crews may lack clear direction when prioritizing tasks, responding to maintenance requests, or addressing unexpected issues. Emergencies, infrastructure failures, facility issues, and public service calls can arise at any time. A Leadworker with the experience to assess situations, make decisions, and coordinate responses in real time is critical to minimizing downtime, preventing escalation, and protecting public safety. A Leadworker also provides immediate supervision, ensuring that work is properly assigned, completed efficiently, and aligned with department priorities.

50500	40000	New Position	\$ 154,451	1 full-time Senior Public Works Inspector position. Total increase to the budget is \$154,451.	A new Public Works Senior Inspector is necessary to manage the increased workload, ensure regulatory compliance, maintain construction quality, support staff development, and improve service delivery. This position is critical to ensure that public projects are completed safely, efficiently, and in compliance with the City's requirements and applicable laws and regulations. The Senior Inspector strengthens mentorship and leadership within the team. Senior staff can provide guidance to junior inspectors, standardize inspection practices, and maintain consistency in decision-making. This contributes to overall team effectiveness and professional development. With more complex Capital Improvement Projects (CIP), maintenance activities, and private developments requiring oversight, existing Public Works inspectors can become stretched too thin. This can lead to delayed inspections, slower project timelines, and an increased risk of oversight errors. The additional Senior Inspector oversees the program, helps distribute the workload more evenly, and ensures timely and thorough inspections across all active CIP projects. Quality assurance is a major concern. Insufficient inspection coverage can result in construction defects going unnoticed, leading to premature failures and higher long-term maintenance costs. A Senior Inspector offers in-depth expertise, ensuring that work is performed correctly the first time, minimizing project claims and disputes. Adding this position enhances responsiveness to the public and contractors. Faster inspections and more consistent availability help prevent project delays. It demonstrates a commitment to accountability, safety, and the efficient use of public funds.

DEPARTMENT: COMMUNITY DEVELOPMENT

62050	40000	New Position	\$ (12,481)	1 full-time Plan-Checker Position costs \$130,589. Reduce 1 full-time Senior Inspector position \$143,070. Total decrease to the budget is \$12,481.	1. Permit Application Increase (See attachment: 30% Growth Since 2019). Since 2019, permit applications have increased approximately 30%. This sustained growth has created a higher volume of plan reviews, resubmittals, and customer inquiries, placing continued strain on staff resources. 2. Expanded Public Counter Hours (5 Days / 50 Hours per Week): This level of accessibility requires consistent plan checker availability for over-the-counter reviews, applicant assistance, and technical support. Current staffing levels are insufficient to maintain service standards without delays. We lost a part-time plan-checker, and on-site consultant plan-checker with 20 hours/week results in a higher ongoing cost to the City. Purpose and Goals: Maintain service levels to the public, reduce high-cost contract services, support consistent counter coverage during expanded operating hours, reduce staff burnout and workload imbalance.
		New Position	\$ 109,714	1 full-time Permit Technician II position. Total increase to the budget is \$109,714.	A good permit technician is crucial at Westminster City Hall as the primary, knowledgeable point of customer services contact who ensures construction projects comply with local codes, streamlining the approval process. They enhance efficiency by accurately processing applications, calculating fees, and coordinating inspections. They provide guidance to homeowners, contractors, and developers on application procedures and code requirements. They reduce confusion and meet the strategic goals of the City Council.
